This is a great opportunity to own a 2-bedroom, 2-bath condo in Eldridge! This home has been well maintained. You're sure to appreciate the natural lighting in the living room provided by the sliding glass door. The sliding glass door leads to a covered balcony to enjoy the warmer months. The fireplace in the living room will help you keep warm on chilly evenings. In the kitchen is where you will find the in-unit laundry area. There are an impressive amount of cabinets, drawers, and counter space as well. Don't forget that the primary bedroom has its own private bath. Included with this condo is a 1-car detached garage. This would be a perfect home for any buyer.
